In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

CEMENT EN 197-1: CEM III/B 42,5 N - LH/SR

Intended use: Preparation of concrete, mortar, grout and other mixes for construction and for the manufacture of construction products..

placed on the market under the name or trademark of
Heidelberg Materials Nederland Cement B.V.

and produced in the manufacturing plant
IJmuiden

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard:

EN 197-1:2011

Under system 1+ for the performances set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the constancy of performance of the construction product.

This certificate was first issued on 2 July 2001 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.
